Description

Prata Riverside Village. Inspired by the river, by light and by the beauty of the city, Renzo Piano had his vision for the next chapter in Lisbon's life: the Prata Riverside Village. An award-winning neighbourhood, a unique community that takes shape each day and establishes itself as one of the capital's landmarks. A place where art, design and pure inspiration invite a new way of living Lisbon, which begins every morning, right inside your home. The Prata Riverside Village is an incomparable neighbourhood and the PARK building is the opportunity you cannot miss. An exclusive set of T0 to T4 apartments, supremely appealing to a very diverse public, united by their sensitivity to design and architecture, their attention to every detail, and their desire to live with the comfort and convenience that modern life demands. Here, the expression "prime location" has never made more sense. At PARK we are on the prime riverside frontage. Front row of the magnificent Oriente Riverside Park. But also in the front row of a new way of living Lisbon, within a home where Renzo Piano's architecture, executed with premium techniques, materials and finishes, delight both touch and sight. Space, light, quality and plenty of personality distinguish each PARK apartment. All this with an unparalleled level of acoustic and thermal comfort and benchmark energy efficiency. To elevate your well-being level every day of the year. Renzo Piano architecture – the iconic Italian Pritzker Prize winner; Located next to the central square of a new riverside neighbourhood with over 100 commercial spaces and services; Ernesto Meda kitchens in open concept, with or without island, and complete SMEG equipment; Premium finishes that you can witness with a visit on-site; Panoramic elevators with views of the Tagus River and the building's communal garden; Energy efficiency Class A or A+; Air conditioning and home automation; Private parking with electric vehicle charger; Storage room. Living in Prata Riverside Village means choosing rare privileges that will make your life a new life, just metres from the Tagus and the new Oriente Riverside Park. A new space in the city, perfect for walking, running, cycling or simply meditating to the sound of the river waters. It is having a unique coffee in the city. It is going to Mercado P'la Arte as if visiting neighbours. It is having new retail and dining concepts around the corner. And of course, it is having all of this just minutes from Downtown Lisbon, the Airport, the iconic Nations Park and the Beato Creative Hub.
