Description

Buildable land with ruin and an approved construction project and authorized temporary housing, ideally located between Olhão and Fuseta.

We present this unique property, consisting of a buildable plot of 8,320 m², including a ruin of 122 m² with Municipal Council authorization.

A construction project for the main residence is already approved and available for consultation upon request.

From the house, you will enjoy views of the Ria Formosa.

This flat terrain, completely fenced, is planted with various fruit trees.

It also features a fully equipped T1 temporary housing unit, connected to water and electricity networks, equipped with video surveillance cameras connected to mobile phone.

This housing has Municipal Council authorization for use until the completion of the main house construction project. Ideally located between Olhão and Fuseta, this property is close to shops, beaches and only 15 minutes from Faro International Airport.

Do not miss this rare opportunity.
