Description

Prata Riverside Village Inspired by the river, light and beauty of the city, Renzo Piano had his vision for the next chapter in Lisbon's life: Prata Riverside Village. An award-winning neighbourhood, a unique community that takes shape every day and is established as one of the capital's hallmarks. A place where art, design and pure inspiration invite a new way of living Lisbon, which begins every morning, right inside your home. Lisbon is light. Marvila is creative. Prata Riverside Village is a new life. And your new building – the SOUTH Building – is where all of this comes together and takes on a new expression. In the SOUTH Building, the diversity of this award-winning project gains a new dimension. It is the first building in Prata with apartments ranging from T0 to T4, with a total of 103 apartments with great variety of layouts, starting from 49 m². Each one with the design and finishes that have made Prata a world-renowned project and one of Portugal's most successful developments. With its name, SOUTH, Prata pays tribute to the artistic and creative community of Marvila and Beato, home to renowned and emerging names in the Portuguese cultural sphere. Innovators and dreamers, from visual arts to music, of all ages, origins and backgrounds. SOUTH is Architecture. In this case, the inspired touch of Renzo Piano. The visionary and renowned Italian who dreamed of a new way of living Lisbon. Inspired by Lisbon's relationship with the Tagus, with the sea and with the world, but also with Lisbon's relationship with itself, in its timeless neighbourhoods and villages. An inspiration that is seen and felt, from the overall vision to the smallest detail of the art of building. But SOUTH is also, and perhaps above all, the Art of Living. With quality, comfort, strong bonds, inspiration. It is the art of enjoying life in Parque Ribeirinho Oriente, one of the most appreciated in the country. It is the art of exploring new and delightful flavours in the neighbourhood's restaurants and cafés. The art of being part of a diverse, modern community, of all ages and at all stages of life, from the four corners of the world, who made their home here. It is the art of going running, cycling or simply meditating along the river. It is the art of finding what is familiar to us, but also the new and surprising at every corner. And it is the art of discovering, exploring, growing and living well every day. Highlights: Renzo Piano Architecture – the iconic Italian Pritzker Prize winner; Located next to the central plaza of a new riverside neighbourhood with over 100 commercial spaces and services; Ernesto Meda kitchens in open concept, with or without island, and complete SMEG equipment; Premium finishes that you can experience with a visit on site; Panoramic elevators with views of the Tagus and the building's common garden; Energy efficiency Class A or A+; Air conditioning and home automation; Private parking with electric vehicle charger; Storage room. Living in Prata Living in Prata Riverside Village is opting for rare privileges that will make your life a new life, just metres from the Tagus and the new Parque Ribeirinho Oriente. A new space in the city, perfect for walking, running, cycling or simply meditating to the sound of the river waters. It is having a unique coffee in the city. It is visiting Mercado P'la Arte as if visiting neighbours. It is having new retail and restaurant concepts around the corner. And of course, it is having all of this just minutes from Baixa, the Airport, the iconic Parque das Nações and the Creative Hub of Beato.
