Each one with the design and finishes that made Prata a world-renowned project and one of Portugal's most successful developments.
In this case, the inspired touch of Renzo Piano. The visionary and renowned Italian who dreamed of a new way to experience Lisbon. Inspired by Lisbon's relationship with the Tejo, with the sea and the world, but also with Lisbon's relationship with itself, in its neighborhoods and villages of old.
An inspiration that is seen and felt, from the overall vision to the finest detail of the art of building.
