Description

An investment with history. An opportunity to experience Setúbal.

There are properties that are purchased. And there are properties that are chosen.

In the heart of Setúbal, Jardins do Morgado is an architect-designed project that transforms the heritage of a former estate into an exclusive, contemporary residential complex connected to nature.

There are only 19 apartments, distributed across four buildings with distinct identities, Casa do Morgado, Casa de Fresco, Casa da Árvore and Casa da Fonte, surrounded by gardens, century-old trees, courtyards and outdoor spaces.

EXCLUSIVITY THAT CANNOT BE REPLICATED

Here, no two apartments are identical.

Each unit was designed in relation to the gardens, views and solar orientation, valuing unique elements such as antique tilework, generous ceiling heights and original fireplaces.

Casa do Morgado preserves historical elements from an 18th-century building, while Casa da Árvore directly relates to century-old trees and spacious balconies. In Casa de Fresco, only one T3 Duplex unit is available.

TO LIVE. TO INVEST.

The 13 available apartments at Jardins do Morgado combine quality of life, exclusivity and differentiation, with:

Bathrooms with electric radiant heating - Warmup or similar
Storage rooms
Gardens and orchard
Outdoor pool and solarium
Gym
Solar panels
Street-level parking
Electric vehicle charging

A PRIVILEGED LOCATION

About 10 minutes from Arrábida, close to Tróia and Comporta, with five golf courses in the region and Lisbon approximately 30 minutes away.

On a daily basis, it also benefits from proximity to São Bernardo Hospital, railway station, historic center and ferries.

Jardins do Morgado offers the best of both worlds: the tranquility of an exclusive, green environment, in the center of Setúbal with excellent connectivity.

JARDINS DO MORGADO
