Description

Live in Prata Riverside Village!

Living in Prata Riverside Village is choosing rare privileges that will transform your life, just meters from the Tagus River and the new Oriente Riverside Park.

A new area of the city, perfect for a peaceful walk, a run, a bike ride or simply to meditate to the sound of the river waters.
It's going out for a unique coffee, like no other in the city. It's visiting the P'la Arte Art Market, as if it were at your neighbors' house. It's discovering exclusive shops and restaurants, right around the corner.

And, of course, it's having all of this just a few minutes from the historic center, the international airport, the iconic Nations Park and the creative hub of Beato.

Between these two worlds is the waterfront, where Italian architect Renzo Piano, laureate of the Pritzker Prize, chose to design what many consider a landmark project, others a true work of art: his own apartment.
