Description

Living in Prata Riverside Village means choosing rare privileges that will transform your life, just meters from the Tagus River and the new Oriente Riverside Park.
Lisbon is light! Marvila is creative! Prata Riverside Village is a new life! And your new building – the FACTORY Building – is where it all comes together and takes on a new expression.
The FACTORY brings 53 apartments, from studio to 4-bedroom units with versatile layouts, abundant natural light and excellent finishes. A new architectural landmark in Lisbon, where design and comfort coexist in perfect harmony.
Each one with the design and finishes that made Prata a world-renowned project and one of Portugal's most successful developments.
In this case, the inspired touch of Renzo Piano. The visionary and acclaimed Italian architect who dreamed of a new way of living in Lisbon. Inspired by Lisbon's relationship with the Tagus, with the sea and with the world, but also with Lisbon's relationship with itself, in its neighbourhoods and traditional villages.
An inspiration that you see and feel, from the overall vision to the finest detail of the art of construction.

Open-concept kitchens, with or without island, and complete SMEG equipment;
Premium finishes that you can witness with a visit to the site;
Panoramic elevators with views of the Tagus and the building's common garden;
Energy efficiency Class A or A+;
Air conditioning and smart home automation;
Private parking with electric vehicle charging;
Storage room.

Prata Riverside Village is located in a new area of the city, perfect for a peaceful walk, a jog, a bike ride or simply to meditate to the sound of the river waters.
It's going out for a unique café, like no other in the city. It's visiting the P'la Arte Art Market, as if you were at a neighbour's house. It's discovering exclusive shops and restaurants, right around the corner.
