Each one with the design and finishes that made Prata a world-renowned project and one of Portugal's most successful developments.
In this case, the inspired hand of Renzo Piano. The visionary and celebrated Italian who dreamed of a new way to live in Lisbon. Inspired by Lisbon's relationship with the Tejo, the sea and the world, but also with Lisbon's relationship with itself, in its neighborhoods and traditional villages.
An inspiration that you can see and feel, from the overall vision to the smallest detail of the art of building.
