Description

We present the latest development in the picturesque village of Fuseta, just 700 meters from the beach, where modern comfort combines with the charm of the Algarve. This exclusive project stands out for its contemporary architecture, superior construction quality and sophisticated design, providing a unique living experience.

Comprising apartments and villas, distributed across a three-story building, each unit has been carefully designed to offer maximum privacy and well-being, all with individual swimming pools, ideal for enjoying sunny days and tranquility.

The apartments and villas are currently under construction and feature high standards of comfort and efficiency.

Key Features:

Individual swimming pool in each unit

Air conditioning installed

Furnished kitchen fully equipped with appliances (oven, microwave, refrigerator, induction cooktop and extractor hood)

Elevator in the building

Private garage or parking space

Video intercom

This development was designed for those who value quality, comfort and proximity to the sea, in a calm and authentic environment.

Important Notes:

In ground floor apartments, the outdoor area is delivered with only paved area and soil, without external arrangements (does not include grass or vegetation).

In the villas, the jacuzzi is not included.

Experience the best of Fuseta, a place where the sea, light and modernity come together to create your new home in the Algarve.
