Description

This villa under construction can offer you all the comfort and convenience you need, combined with the sophistication of modern design.

The villa is composed of 2 floors. On the first floor you will find a living room and kitchen in open space with an island, this area has plenty of natural light coming through the sliding glass doors with access to a very pleasant outdoor area. On the ground floor you also have a bedroom, a bathroom, laundry room, pantry and garage. On the 1st floor you will find 2 bedrooms en suite with excellent balconies to enjoy the unobstructed views.

This house is ideal for all people who desire the best of both worlds. It is close to the commercial and service offerings of the cities of Lagoa and Portimão and at the same time it is in a quiet and calm area. Located in one of the highest areas of Estômbar, Parchal, this villa offers views of the Arade River estuary, Monchique Mountain Range and the city of Portimão; and it also benefits from excellent sun exposure.

The construction of this magnificent villa is being done with high-quality materials, with exterior thermal insulation covering the entire house to provide good thermal and acoustic conditions, and you still have the advantage of being able to choose the finishes to your liking.

The completion of the work is expected to take place in mid-2026.

Schedule your visit now to verify that this is the house you have envisioned.
