Description

We present a collection of elegant 2 to 3+1 bedroom apartments, integrated into a tranquil and prestigious residential development in Lagos. With contemporary design and high-quality finishes, these properties combine comfort, functionality, and a truly privileged location.

With total gross areas that can reach approximately 175m² and construction areas up to 129m², the units offer spacious terraces and a marquee, perfect for outdoor dining or leisure moments in the sun. They also include private parking in the basement and individual storage.

Inside, you will find a spacious and bright social area with direct access to the exterior. The modern kitchen is prepared for built-in appliances. The bedrooms feature built-in wardrobes, with one being an en-suite, and the bathrooms stand out for their contemporary and functional finishes.

The building is new, consisting of only four floors and twelve units, built by a company recognized for its quality and experience. Located in a calm residential area, it is just minutes away from Lagos' historic center, emblematic beaches, such as Praia Dona Ana, and supermarkets, schools, and main access roads.

An exceptional opportunity for those seeking quality of life, comfort, and property appreciation in one of the most desirable areas of the Algarve.
