Description

With an area of 75.57 m², this apartment in Alcabideche offers a modern and functional living experience. Composed of two bedrooms and three living spaces, the property is ideal for small families or couples seeking comfort and modernity. The installation of air conditioning and central vacuum system guarantee a pleasant and organized environment at all times.

Furthermore, the apartment features a variety of cutting-edge technologies, such as home automation, electric awnings and solar panels, which provide energy efficiency and convenience. PVC windows with double glazing guarantee acoustic and thermal insulation, while simple flow ventilation ensures internal air quality. Security is reinforced with a security door, electric gate and video surveillance.

Located in a building with accessibility for people with reduced mobility, the property also features fiber optics and TV distribution, intercom and external lighting. This is a unique opportunity to live in a sophisticated space that combines technology and comfort in one of the most desirable regions of Portugal.
