## Description

With an area of 75.57 m<sup>2</sup>, this apartment in Alcabideche offers a modern and functional living experience. Comprising two bedrooms and three living areas, the property is ideal for small families or couples looking for comfort and modernity. The installation of air-conditioning and a central vacuum system guarantee an environment that is always pleasant and organized.

In addition, the apartment has a variety of state-of-the-art technologies, such as home automation, electric awnings and solar panels, which provide energy efficiency and convenience. Double-glazed PVC windows guarantee acoustic and thermal insulation, while single-flow ventilation ensures indoor air quality. Security is enhanced with a security door, electric gate and video surveillance.

Located in a building with access for people with reduced mobility, the property also has fiber optics and TV distribution, intercom and external lighting. This is a unique opportunity to live in a sophisticated space that combines technology and comfort in one of Portugal's most desirable regions.
