Description

Discover this 68.9 m² apartment in Alcabideche, ideal for those seeking comfort and modernity. With two bedrooms and three living spaces, it offers a sophisticated living experience, equipped with air conditioning and central vacuum system. The integrated kitchen and large PVC windows with double glazing provide a bright and welcoming environment.

This property features several technology and security characteristics, such as home automation, video surveillance, and security door. Electric awnings and blinds add a touch of practicality to everyday life. For those who value sustainability, solar panels and simple flow ventilation are important differentials.

The condominium offers accessibility for people with reduced mobility, TV distribution, fiber optic internet, and electric gate, ensuring comfort and security. With intercom and efficient external lighting, this apartment represents an excellent opportunity to live with quality and innovation.
