Description

It is eleven o'clock on a luminous Saturday morning and the pool is the only thing that moves. Sun loungers along the edge, the glass doors of the living room wide open and, a few hundred meters away, the cliffs of Ponta da Piedade falling onto the Atlantic. This 4-bedroom villa with 300 m² is located in a quiet residential area of Lagos, with sea views from the rooftop terrace, a jacuzzi up there for the end of the day and a private elevator between all floors. The historic center is 1.5 km away on foot.

Elevated Private Quarters
When the day slows down, the private elevator in the house silently takes you to the bedroom area. Here, four spacious bedrooms offer absolute refuge. Imagine waking to the sound of distant waves in a master suite flooded with natural light, stepping onto radiant stone flooring in one of four private bathrooms meticulously finished, before even starting your day. It is a luxury 4-bedroom villa with an elevator in Lagos that anticipates exactly how you want to live in your own home.

Perfect Fluidity Between Interior and Exterior
On the lower floor, the barrier between interior and exterior simply disappears. Wall-to-wall double-glazed sliding doors pull the salty ocean breeze through the open-plan living room. Afternoon light reflects off the wide-plank flooring and elegant Silestone kitchen counters, guiding your gaze directly to the private pool. It is a space designed for barefoot mornings and for entertaining friends effortlessly, finished so that every acoustic and thermal detail is perfectly calibrated for your comfort throughout the year.

The Neighborhood
Your new home is anchored in one of the most exclusive and peaceful residential areas in the Faro district, completely free from the usual seasonal traffic. The world-famous cliffs and golden limestone rock formations of Ponta da Piedade are just a few hundred meters from your front door, the perfect setting for a peaceful early morning walk before the world wakes up. When you feel like culture, fresh seafood or your morning espresso, the cobblestone streets of Lagos historic center are just 1.5 km away, in a pleasant walk.
