LIVING ON ARMONA

Living on Armona Island is choosing a different pace.

Here, days begin with the sound of the sea and end with the sunset over the Ria Formosa.
No traffic, no noise, only the essentials.

It is the ideal destination for those seeking a holiday home, a refuge in the Algarve or a more authentic life experience.

The growing demand for properties in exclusive areas with limited access, such as Armona Island, has been increasing the value of this type of property.

This house represents an excellent opportunity.

Armona Island is accessible only by boat, ensuring a safe, tranquil and distinctive environment, increasingly valued by national and international buyers.

Houses like this don't come around often... and when they do, they don't remain available for very long.
