Description

Situated in an elevated position in the countryside with expansive valley views, this exceptional detached villa offers 243m² of beautifully renovated living space set on an expansive 2-hectare plot. Combining timeless architectural character with contemporary luxury, this is a truly unique property designed for relaxed family living and exceptional entertaining.

Recently renovated to an extremely high standard, the villa features five spacious double bedrooms and four beautifully appointed bathrooms, including a luxurious master suite with private ensuite. Three of the bedrooms have direct access through patio doors to tranquil landscaped gardens with raised planters, creating peaceful private spaces to relax and appreciate the natural beauty surrounding you. One of the family bathrooms includes a bathtub, ideal for families or guests.

The main accommodation is distributed across two floors, with the upper level dedicated to impressive open-plan living spaces, designed to maximise breathtaking views. An elegant modern kitchen overlooks the dining and lounge areas, whilst wooden beam ceilings create a warm ambience and architectural character. Large patio doors open seamlessly onto the spectacular external entertaining terrace and swimming pool, where lifestyle is the priority.

The external spaces have been carefully planned for year-round enjoyment, featuring a stunning 10 x 5 metre chlorinated swimming pool, covered terrace, high-quality external kitchen with integrated barbecue, separate utility room and generous dining and seating areas. The elevated configuration of the property ensures privacy and uninterrupted panoramic countryside views, whilst the fully enclosed main residence with gated entry offers additional security and exclusivity.

Other features include a private office with panoramic views, a separate laundry room, ample storage space and a large covered garage for multiple vehicles. The impressive entrance and expansive parking area comfortably accommodate family and guests.

This property is also highly efficient and self-sufficient, benefiting from a substantial solar energy system capable of powering the entire property, together with an artesian well, filtration system and water softener. The surrounding rustic land is rich in wildlife, reinforcing the peaceful natural environment, whilst access remains easy via a well-maintained stone pathway just 50 metres from the asphalt road.

Offering complete privacy, excellent outdoor living and luxurious modern finishes in every detail, this remarkable rural retreat would make an exceptional permanent residence, luxury family home or high-standard holiday rental investment. Properties of this scale and quality are rarely available, especially with such strong short-term rental potential.

It is recommended to schedule a viewing as soon as possible, as properties of this quality, location and price range rarely come to market and are sure to attract significant interest.
