Description

You know that apartment where you walk in and feel that you've found the perfect place to live?
Comfort, tranquility, close to all types of shops right next door, even the train to go to Cascais is practically right there.
Besides that...
If you live alone, you have an office that serves as a second bedroom.
If you're a couple, you have an extra room for the baby.
If you're a student or entrepreneur, you have an office to keep the house organized.
You have a laundry space outside the kitchen.
You have a guest bathroom for your visitors.
You have a storage room to put shoes and storage items.
I'm talking about an apartment with a suite, an office, plus a guest bathroom, a laundry area and a patio for reading, drinking wine or smoking a cigar.
