Description

Welcome to Infante Residences, an exceptional collection of premium residences in the prestigious Estrela neighborhood, one of Lisbon's most sought-after and cosmopolitan districts.

Carefully created through the transformation of a historic building, this boutique development perfectly combines contemporary architecture, refined finishes, and timeless elegance with the charm of Lisbon's historic center.

Designed for sophisticated city living, each residence offers carefully planned interiors, filled with natural light, premium materials, and a perfect balance between style and functionality.
Private parking, a rare luxury in this central location, adds daily convenience to an exceptional address.

One of the defining features of Infante Residences is its spectacular rooftop terrace, complete with a swimming pool and beautifully designed lounge areas. From here, residents enjoy panoramic views over Lisbon, the Tagus River, and the iconic 25 de Abril Bridge, creating the perfect setting to relax, entertain, or simply watch the sunset over the city.
Perfectly located, Infante Residences places you within a short walking distance of charming cafés, renowned restaurants, beautiful parks, cultural attractions, and excellent public transportation.

Whether you are looking for a full-time residence, an elegant pied-à-terre, or an exceptional investment in one of Europe's most exciting capitals, this development offers a rare opportunity to experience the best of Lisbon living.

With only a limited selection of one-bedroom residences and just a few two-bedroom residences still available, this is an exceptional opportunity to secure a home, a pied-à-terre, or a premium investment property in one of Lisbon's most coveted new developments before the remaining inventory is sold.
Contact me today for the most current availability, pricing, and personalized guidance to help you secure the property that best fits your objectives.
