Shop for sale in Beja, very well located near IPBEJA and with excellent spaces. The shop is ready for restaurants, however it has the complete structure for other types of businesses such as veterinary clinics, medical offices, laboratories, offices, studios and others.

All this is due to the very well distributed space as the shop has a very attractive storefront with large windows and also has a fully equipped basement with space for more tables and an installed and operational industrial kitchen.

The surrounding area is very attractive, very close to IP Beja and with easy access to the entire Beja city centre with all the facilities that every good business location needs.
