Description

This 2-bedroom apartment is located in Portimão, offering 65.15 m² of well-distributed living space. Although situated in a basement level from the main street, due to the street level differences, it nevertheless benefits from natural lighting in all rooms and is positioned at the level of a 1st floor on the rear street.

The spacious and bright living room provides a welcoming environment for gathering family or relaxing after a long day. The property features three well-defined rooms, making it an excellent option for both personal residence and investment purposes.

The two bedrooms offer privacy and comfort, ideal for accommodating a couple, small family, or using one space as an office. The apartment features a bathroom equipped with a bathtub, perfect for relaxation moments. The aluminum windows guarantee excellent natural lighting.

The apartment offers easy access to shops, schools, and essential city services. Take advantage of this opportunity to acquire your new home in southern Portugal.
