Description

The privilege of living authentic Lisbon: an exclusive 3-bedroom apartment in the heart of Avenidas Novas.

More than a home, a lifestyle in the city centre. Imagine waking up where the charm of the past and the sophistication of the present meet, on the prestigious Rua Carlos Testa, with views of the historic Palácio de Vilalva, in the cultural heart of Lisbon.

With 145.60 m² of gross private area, this apartment occupies the entire 5th floor. In the building, currently in final rehabilitation phase, there is only one apartment per floor: privacy, tranquility and security, without sacrificing centrality. A private retreat for those who value discretion.

A space designed for living well

The social area opens in open space, living and dining room with excellent natural light, and extends into the kitchen, with pantry and technical area/laundry room. From here, access to the rear balcony: generous, peaceful, perfect for morning coffee or sunset dinner.

The master suite features a walk-in closet and private bathroom. Two additional bedrooms, one with a small balcony, complete the private area, with a full guest bathroom and social bathroom. Throughout the apartment, premium finishes and a layout designed for daily comfort. The building has an elevator.

Everything within walking distance

Living in Avenidas Novas means having the city at your doorstep. Walk to the Calouste Gulbenkian Foundation gardens, shop at El Corte Inglés or enjoy a stroll in Eduardo VII Park. And upon your return, the rare convenience of garage parking in the building, a true luxury in this area of Lisbon.
