Description

An investment with history. An opportunity to experience Setúbal.

There are properties that are purchased. And there are properties that are chosen.

In the heart of Setúbal, Jardins do Morgado is an author-designed project that transforms the heritage of a former estate into an exclusive, contemporary residential complex connected to nature.

There are only 19 apartments, distributed across four buildings with distinct identities, Casa do Morgado, Casa de Fresco, Casa da Árvore and Casa da Fonte, surrounded by gardens, century-old trees, courtyards and outdoor spaces.

EXCLUSIVITY THAT CANNOT BE REPLICATED

Here, no two apartments are alike.

Each unit has been designed in relation to the gardens, views and solar orientation, enhancing unique elements such as period tilework, generous ceiling heights and original fireplaces.

Casa do Morgado preserves historical elements from an 18th-century building, while Casa da Árvore directly relates to century-old trees and spacious verandas. In Casa de Fresco, only one 3-Bedroom Duplex unit is available.

TO LIVE. TO APPRECIATE IN VALUE.

The 13 available apartments at Jardins do Morgado combine quality of life, exclusivity and differentiation, with:

Bathrooms with electric underfloor heating - Warmup or similar
Storage rooms
Gardens and orchard
Outdoor swimming pool and sun terrace
Gym
Solar panels
Parking on the street
Electric vehicle charging

A PRIVILEGED LOCATION

Approximately 10 minutes from Arrábida, close to Tróia and Comporta, with five golf courses in the region and Lisbon approximately 30 minutes away.

On a daily basis, it also benefits from proximity to São Bernardo Hospital, railway station, historic centre and ferries.

Jardins do Morgado offers the best of both worlds: the tranquility of a green and exclusive environment, in the centre of Setúbal with excellent connections.

JARDINS DO MORGADO

The privilege of living in the centre of Setúbal surrounded by nature.

Discover the available units and find the one that best matches your life or investment project.
