Description

SUNRISE Building
Where the first light of day meets the Tagus!

The last building on the front line of Prata Riverside Village is the ultimate expression of Renzo Piano's vision. A unique place designed for those who seek to breathe deeply, slow down their pace and contemplate the immensity of the river, with the park at your doorstep.

A new way of living in Lisbon takes shape in 56 original layouts, with spacious typologies from 1-bedroom to 4-bedroom units, designed to provide maximum comfort. At Sunrise, exclusivity reveals itself in every detail: kitchens signed by the prestigious Italian brand Molteni&C, integrated home automation and climate control, private gym and an exclusive co-working area for residents.

Sunrise merges light, water and sky in an architectural vision signed by the Italian Pritzker Prize winner. With panoramic elevators overlooking the Tagus and Parque Ribeirinho Oriente as a natural extension of your space, the design was conceived to bring nature directly into your home.
