You are relaxed in your future infinity pool, savoring a magnificent sunset with an absolutely incredible open view of the surrounding nature. This dream is within your reach with this superb new construction project with high-quality finishes!

Ideally situated on a quiet cul-de-sac, guaranteeing total privacy, this magnificent contemporary detached house benefits from excellent sun exposure (East/West), ensuring beautiful luminosity throughout the day.

The Social Zone (Ground Floor):
Designed to combine conviviality and absolute comfort, the house opens to:

. A vast fully equipped kitchen in open space with its dining area and a spacious living room, all with direct access to the outside and the pool.

. A beautiful suite with private access to the pool.

. An additional bedroom (ideal for receiving guests or creating a leisure space).

. A complete bathroom in modern style.

The Upper Floor (Mezzanine):

. A spectacular master suite, equipped with a large window offering a stunning view over the landscape.

. A perfect office space for remote work.

. An intelligently utilized corridor with plenty of storage (dedicated space for machines and other equipment).

Finishes and Exterior:
The chosen materials and finishes are of the highest level, as evidenced by the superb 3D models of the project.

. Ideal comfort: Air conditioning (AC) included and double-glazed PVC windows for perfect insulation.

. Exterior: Future infinity pool facing the view and a space with carport for 2 cars.

. The great advantage: The house is scheduled for delivery in the 2nd quarter of 2027. Take advantage of the opportunity now, as at this stage of the project, buyers still have the possibility to change certain finishes to create the house of your dreams!

(Note: the pool photograph is a 3D projection integrated into the real landscape, in order to give you a precise perspective of the exceptional view and panorama. The photo file will be updated as the works progress).

Distances and Surroundings:
Although nestled in a refuge of absolute tranquility, the property remains close to all amenities and highway access is quick:

. Lourinhã town center is just 13 minutes drive away, offering all the charm of the region for your daily shopping and, for education, establishments from daycare to secondary school.

. Want to enjoy the ocean? The famous Areia Branca Beach and its beautiful beaches are just 10 to 15 minutes from your home.

. In terms of health, the Hospital Center of the West (CHO) - Torres Vedras is about 20 minutes away.
