Description

New T3 detached house with rooftop and jacuzzi just 5 minutes from Praia da Fuseta

Some homes benefit from their location, others from outdoor space or being new. This one offers a bit of everything – and is situated in the Fuseta area, only a few minutes from the beach.

Located in the Arte Nova district of Fuseta, this newly built T3 semi-detached house is ready to open its doors and has been designed for those seeking a modern, practical home with ample outdoor space, whether for permanent residence, holiday accommodation or simply to enjoy the lifestyle of this Algarve village.

On the ground floor we find a bedroom, a bathroom with Italian shower, pantry and a spacious social area comprising living room and kitchen in open plan. The kitchen is fully fitted with Teka appliances and the living room opens directly onto an exterior terrace of about 21 m², creating a natural extension of the indoor living space to the outdoors.

On the first floor are the other two bedrooms, both en-suite, each with a bathroom equipped with a shower.

At the top of the house is a feature that makes all the difference: a private rooftop with jacuzzi, perfect for enjoying the Algarve sun, relaxing at the end of the day or creating an enjoyable leisure area.

The property also includes air conditioning, electric blinds and double glazing, providing comfort throughout the year.

All this in Fuseta, in a recently developed residential area, just 5 minutes from Praia da Fuseta, close to Ria Formosa and with restaurants, shops, services and a train station within easy reach.

New. Ready to open. Three bedrooms, three bathrooms, terrace and rooftop with jacuzzi – in Fuseta.

A home designed to experience the Algarve inside and out.
