Description

Natural light, three bedrooms and the convenience of having everything nearby.

This 3-bedroom apartment combines a central location with the comfort of a well-maintained home. The east and west-facing exposure provides good natural light at different times of the day, and the proximity to shops and services makes daily routines convenient.

At the entrance, the hallway with stone-clad wall adds character to the home. The living room offers a welcoming space to relax or entertain friends, while the kitchen has space for everyday meals.

The three bedrooms allow you to accommodate the family and adapt the home to your needs, such as reserving one room for an office. The two complete bathrooms, both with showers, add convenience. The main bathroom features two sinks, a useful detail for sharing the space during busy mornings.

The enclosed balconies offer support areas for laundry and storage, helping keep the other rooms organized.

The apartment features air conditioning in the rooms, double-glazed windows, electric blinds and mains gas, providing conditions for comfortable living throughout the year.

Located on the third floor of a building without an elevator, it was renovated approximately 15 years ago, including plumbing and electrical installation. It is in good condition.
