Description

2-Bedroom apartment in Arneiro, Carcavelos with two spacious terraces, 50m² and 55m², one with sea views.

Located on the top floor, it provides privacy on the terraces and throughout the home. This property benefits from a truly privileged location: in the beach area, close to a wide variety of services and amenities.

One of the great highlights is the spacious 50m² terrace with sea views facing south, plus another 55m² terrace with a barbecue, a true extension of the residence, ideal for enjoying the outdoors, receiving family and friends, or simply relaxing. The outdoor dining area is protected by an elegant pergola, which allows you to control sunlight and create a pleasant environment throughout the day.

Inside, a welcoming entrance hall leads to a bright and sunny living room, which opens directly onto the terrace. A space designed for socializing, relaxing, and creating special moments with family or friends, with a privileged connection to the outdoors.

On the same wing, facing the terrace, is the master suite, with good storage spaces, a full bathroom, and direct access to the terrace—the perfect setting to start your day.
There is also another bedroom and another full bathroom.

On the opposite side of the living room, the recently renovated kitchen is equipped with quality appliances and also offers a practical pantry, laundry area, and access to the second 55m² terrace.

To ensure comfort year-round, the apartment features air conditioning for heating and cooling, central heating with 1 year warranty (ROCA), central vacuum with 1 year warranty, ambient sound in the rooms, and heated towel racks with Giacomini water heating in the bathrooms.

The property also includes 2 parking spaces for two vehicles and a storage room, adding functionality and storage space.

A home with the rare combination of location and top-floor terraces, generous outdoor spaces, brightness, comfort, and excellent accessibility.
