Description

Your next chapter in Lisbon begins on Braamcamp Street

Imagine starting your day with coffee on the balcony and feeling the rhythm of Lisbon from an elevated floor. Then, leave home and have the city waiting for you: tree-lined avenues, gardens, restaurants and neighbourhoods full of personality.

On Braamcamp Street, this apartment combines 79 m² of private gross area, two facades, facing the street and the rear, and the convenience of being located in a building with an elevator. The balcony adds a space to breathe, enjoy natural light and savour a break in the fresh air.

Location is one of its greatest attractions. Close to Liberdade Avenue and Marquês de Pombal, it allows you to live in a central area of Lisbon, with shops, services, cafés and restaurants nearby. Access to the Marquês de Pombal and Rato metro stations facilitates your daily commute and gives you greater freedom to organise your routine.

Príncipe Real invites you to discover independent shops, choose a restaurant for dinner or spend an afternoon on a terrace. For moments of relaxation, Estrela Garden is another destination you can incorporate into your leisure routines: a walk among trees, a pause to read or a weekend meeting.

Living here means being able to choose how to enjoy Lisbon: go out for dinner, stroll down Liberdade Avenue, explore nearby neighbourhoods or simply return home and enjoy your balcony.

A home for those who value centrality, mobility and the pleasure of having so many possibilities nearby.

Come and see the space and discover how you can adapt it to your lifestyle. Schedule your visit.
