Description

Imagine waking up to the ocean every morning.

Situated directly facing the sea at the prestigious Horizon Ocean Gardens Sea in Forte Novo, Quarteira, this exceptional two-bedroom apartment offers a rare connection with its surroundings. From every room, enjoy beautiful views over the Atlantic, the pools and landscaped gardens.

Completed in 2025, the development is, in my opinion, one of the best places to live by the sea. The apartment offers 145.26 m² of total area, including 114.18 m² interior and a generous terrace of 31.08 m².

Internally, two elegant suites are complemented by three full bathrooms and a spacious living room with open-concept kitchen. The property also includes two private parking spaces and a lockable storage unit.

If you are looking for a wonderful place to live year-round or a special second home by the sea, this apartment offers an exceptional setting. It can also accommodate up to six guests for holiday stays.

I myself live in this location, and every day I feel fortunate to be here. The ocean, the quality of the development, the gardens and the wonderful community make this place truly special.

Offered at €1,150,000.
