Description

A generous balcony, sea view and a rooftop pool make the difference in this 3-bedroom apartment, located on the top floor of a building with elevator, in Luz de Tavira.

The living room and kitchen share an open space of approximately 28 m², extended by a 14.44 m² balcony. An outdoor connection that brings natural light to the social area and allows you to create a space for dining or relaxation outdoors.

The kitchen combines simple lines, integrated storage and Silestone Miami White countertop, equipped with hob, oven, microwave, refrigerator and dishwasher and washing machine. Light tones and natural-inspired finishes create a contemporary and welcoming environment.

The private area has three bedrooms with wardrobes, including a suite with 16.41 m², and two bathrooms in total. A second balcony complements the outdoor spaces of the apartment.

Materials include Finsa carpentry, Porcelanosa Linkfloor flooring in the bedrooms and Porcelanosa coatings in the bathrooms. Air conditioning and double-glazed windows contribute to year-round comfort.

On the rooftop, the shared terrace with pool and sunbathing area offers an additional space to enjoy the Algarve climate and the view over the surroundings and the sea.

An option for permanent residence or holiday home, which brings together three bedrooms, outdoor spaces and pool in Luz de Tavira.
